

**Tutera Medical**  
is pleased to announce  
the addition of the  
**Contour Light Program**  
in our office.

**Is your waist in  
a tight spot?**

**Lose 5 to 20 inches  
in less than a month!**

Contour Light is the latest advancement in non-invasive body contouring technology. Naturally slim, shape and tone all areas of the body safely without surgery or pain. It is effective on body areas that are most resistant to diet and exercise: waist, hips, thighs, arms and chin.

- **No Pain**
- **No Surgery**
- **No Downtime**
